

# SNAPPER DISPLAY

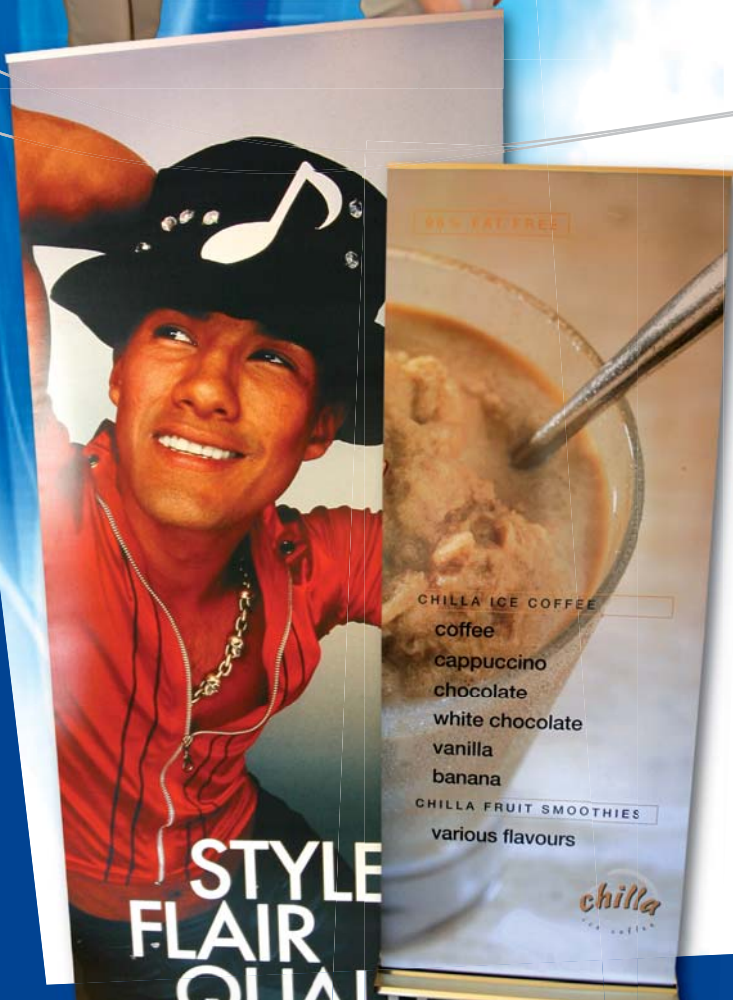

## GloWorm edge-lit lightboxes

The revolutionary hi-tech slimline GloWorm is the perfect alternative to conventional lightboxes.

## fyrefly

Edge-lighting and motion sensitive technology combine to produce a lightbox that alternates as a mirror.

## Odyssey Roller Banner

Pull-up roller banners available in single and double sided options in standard widths of 600mm, 845mm, 1000mm, 1200mm, 1500mm and 2000mm. Custom widths and colours available on request.
